Dear Driscoll Leach,

I want to express my interest to join the 9th grade of your ABC school after the successful completion of 8th grade from XYZ School. I have been consistently good in academics and never had to retake an exam or failed it. Being active in co-curricular activities, I have won several prizes in sports and debating.

I sincerely wish that I get a chance to study in 8th grade at your School as I have heard it has an excellent faculty of teachers. Also, the opportunities provided to students to explore their talents is remarkable.

I am looking forward to hearing from you.

Thank you for your time and consideration.

Your Faithfully.  
Merritt Watson
