Dear Driscoll Leach,

I am writing this letter to apply to the Bachelor of Arts degree program in Psychology at XX University. I am currently in my last year at ABC High School, in a section that focuses on History, Sociology, and Psychology.

I have worked hard to maintain a 4.3 GPA out of a possible 5.00 during my senior year. I have always been passionate about psychology because I think it's fascinating how the human mind works. Apart from academics, I also have a keen interest in debating and have represented my School in various inter-school events. This has improved my critical thinking skills and made me a better listener and speaker.

Upon graduation, I would like to pursue further studies and practice as a family counselor. I am confident that studying at XX University will provide me with an opportunity to further my career goals.

I eagerly look forward to hearing from you. Thank you for your time and consideration.

Yours Sincerely,
(Your Signature)
